

Specific 504 00 - 507 00 5W30

New-generation fully synthetic engine lubricant

Fully synthetic engine lubricant specially for VW, Audi, Skoda and Seat, for Euro-4 and Euro-5 engines with 3-way catalytic converter or soot particulate filter. For extended maintenance intervals or standard interval, can be used for all engines including pump nozzle diesel engines.

VW 504 00 - 507 00

Also for vehicles requiring VW 506 01, 506 00, 503 00, 503 01, 505 01, 505 00 and 502 00 approvals (apart from R5 and V10 TDi engines up to model year 12/2006, here only use Specific 506 01 - 506 00 - 503 00).
